

The CAMHS Review - Next Steps to Improving the Emotional Well-Being and Mental Health of Children and Young People. Call for Evidence 🚩

The Secretary of State for Children, Schools and Families and the Secretary of State for Health have asked Jo Davidson (Chair) and Bob Jezard (Vice-Chair) to lead an independent Review of CAMHS (Child and Adolescent Mental Health Services). The Review will investigate how universal, targeted and specialist services can be improved to meet the needs of children and young people who are experiencing, or are at risk of, mental health problems. This consultation calls for evidence from all individuals, organisations and groups.
